Regions*

1

BOARD OF CUSTOMS

When passed, add one military unit to the **Army of North America** and raise the **Value of Tea** by 1.

Increase the **Commissioner of Customs'** dice pool by 2. When closing orders during Customs, also add an **unrest cube** to that colonized region.

Collectors gain an additional **£1** when placed on an order.

*Impacted
Regions*

2

TEA DUTIES LOWERED

When passed, raise the **Value of Tea** by 2.

Each turn, during upkeep, players must pay a **window tax**. If window taxes are **repealed**, lower the **Available Credit** by 1 instead.

3

CURRENCY REGULATION

Each firm gains an additional **£1** for each colonized region they successfully traded in America.

During Customs, when money is added to the Colonial Treasury, add an additional **£1**.

*Impacted
Regions*

4

DEBT RECOVERY

When passed, raise the **Available Credit** by 1.

The **Colonial Secretary** may open inland orders in colonized regions.

When rolling, subtract the number of **unrest cubes** in that region.
